LETTER OF APPRECIATION FOR YOUR SUPPORT IN OUR SCHOOL RESULTS IMPROVEMENT PROGRAMS IN 2024.

Dear Sir

The above-mentioned school would like to thank MNS Attorneys for the selfless sacrifice and unwavering support you have given to us during the academic year 2024.

With your help in providing teaching material, food to Grade 12 learners on Saturdays, printing ink and paper and words of motivation and encouragement, we manage to sustain the 80% pass performance.

This is way below our intended target of 90% and without your support we could have been in a worse situation.

We therefore wish the Company well in 2025 and pray that you become more profitable and successful in all your endeavours and new projects for the year.

Thank you kindly.

Yours Sincerely

The Principal
