Dear Phumla,

This is a note to thank you and your colleagues at MNS Attorneys for the amazing donation of goods which you brought to the Immaculata Hall Shelter recently. And we also remember with gratitude your goodness to us on Mandela Day last year.

It is always very encouraging when we receive support from generous neighbours.

In one way or another we are all in the same line of care - you to assist in the legal aspect of lives, and we at the cold face of deep poverty.

You will be happy to know that some of your donated goods headed for Mozambique last week, as we filled a bag for a dear homeless and paralysed man who has at last been reunited with his family. I have sent you a little story on this attached to this email.

Please offer our congratulations to the firm Mncedisi Ndlovu & Sedumedi Attorneys on 23 years of excellence.

I think we beat you to it! - in November we will celebrate the 32-year anniversary of when we first attempted to address the plight of homeless people in the Rosebank area.

Please see some pictures on page 2 of your wonderful donations. May we all continue to be blessed.

With best wishes,

SR ST JOHN ENRIGHT
