

TSAKANE PRIMARY SCHOOL

A letter of Gratitude to our Diligent Partners

To: MNS Attorneys

Dear Prestigious Member of our movement

Strengthening collaboration and celebrating all visions of excellence is our key definition of where and how our school can thrive further. We value partnership and stakeholder engagements in all of our yearly dialogues and esteemed school activities. Recently we just celebrated one of the most significant and yet important moment of our profession, “***World Teacher Day***” which helped to remind every individual who wear the profession of our school about who we are, what we stand for and most of it all what our purpose is. A daily reminder that we are not just *teachers* but we are community builders, the shapers and most importantly those who are called to narrate the future. A very imperative honor and celebration indeed. But it goes without a doubt that,

Such a prestigious yet monumental celebration would have never been successful without the positive contributions that you have poured onto us. We submitted our vision and request as a school and you responded positively and made our goal a reality. Your contributions scaled into uplifting every educator at our school, motivating us all to continue to do more and gave us all a chance of hope and inspiration. Truly, you planted a seed that shall never be diminished. With that being said, as a school we would like to express our heartfelt gratitude for everything that you have done for us.

Thank you for seeing us, valuing what we stand for and always giving our school a chance at making success for every teacher and a learner child. You have remained a beacon of hope and transformation in our school, the most relevant platform that truly cares and value the dignity of education and those who are called into call of duty. We truly appreciate all of your efforts and we hope and believe that our partnership shall continue to yield positive results.

Thank you so much to every one involved in carrying the vision and the mission of MNS Attorneys, the ones that carry the heart of your institution, may all good will and strength continue to carry your institution further. Truly when our great leaders echo words such as, “***we continue to rise prioritizing that we rise with others***” you have lived up to that reality and we shall forever be grateful.

From the heart of every Teacher, We thank you

“Being part of the movement that inspires change and motivate seeds of uplifting others is what I shall stand for..!”

With love from : Tsakane Primary School. (Mrs NE Tshandu and school SGB)

How the Day was celebrated

"A teacher with a smile is a happy teacher"

Thank you for Everything..!
